OUR MISSION

The Westville Village Renaissance Alliance (WVRA) is a volunteer-driven, non-profit organization which partners with local businesses, property owners, residents, and public and private institutions to foster and sustain economic development, cultural vitality, and community engagement in Westville Village and the surrounding neighborhoods,

OUR VISION

At the base of majestic West Rock, Westville Village is an inviting historic neighborhood center within the City of New Haven. Nestled between active parks and green-ways, this walkable, sustainable community blends the best of small town living with a dynamic urban setting. It is a vibrant social, cultural and economic hub where residents and visitors of all ages live, learn, work, create, dine, shop and play.
